Work Experience:

Artmedia

`Georgia,Tbilisi`

Frontend Developer

November 2021 - Present

Developed scalable and responsive web applications, collaborating closely with designers and back-end developers to implement UI designs and integrate front-end code with server-side logic. Worked in an Agile environment, participating in daily stand-ups and sprint planning sessions. Conducted regular maintenance and updates to existing websites.

Technologies Used: NextJS, ReactJS, JavaScript, HTML, SCSS, CSS Modules, Yup
